

Youth Venture East Africa 2019 Impact Report

October 2019

How have YOU been making an impact?

“Youth Venture is the best thing that has happened to the youth we reach in Trans Nzoia county. [The vision of Pastor Mark Hoffman and Foothills Christian Church] has led many young souls to willingly surrender their lives to our Lord Jesus Christ; They have a seed in them that will grow to maturity, and it will impact other lives in the future. The teens we reach once a week will be a reason the generation to come will smile and live a life that pleases God because we are ‘training them on the way they should go and when they grow up they will not depart from the way’ but instead train up the next generation.”

- *Edna Kerubo, Trans Nzoia County Leader*

Youth Venture East Africa by the numbers

60,000

The number of students bearing witness to the Gospel each month (year to date)

*In September 2019, the total number of students impacted was 48,351
